CREDITOR ECO DIVERSIFIED HOLDINGS INC AMENDED OPPOSITION TO GIGA PLEX'S MOTION

1 ECO Diversified Holdings, Inc, a Nevada corporation (“ECO Diversified”)
2 is the holder of several executory contracts with Debtor but was not listed as a
3 creditor, its interests were not listed in the Bankruptcy Petition and it was never
4 provided with notice of the Bankruptcy. ECO Diversified has 2 contracts with

3 **II. LEGAL ARGUMENT**

4 Movant Joins in the Committee Response to Giga Plex, LLC's Motion for
5 Relief from Stay, Abandonment, and Rejection of Executory Contract filed on
6 January 14, 2019.

7 In furtherance thereof, the Movant emphasizes that the Movant has not
8 abandoned their right, title and interest in and to the Property. The Movant has
9 provided the Master Landlord with actual notice of it's Sublease and intends to
10 avail itself of the protection to tenants of the bankruptcy debtor afforded to
11 ECO Diversified under the Bankruptcy Code, to be considered in due course by
12 this Court. To grant the Motion to Lift Stay at this point in the proceedings
13 would result in undue prejudice and harm to the creditor ECO Diversified.

14 **III. CONCLUSION**

15 This Court should deny the Motion for Relief from Stay, Abandonment,
16 and Rejection of Executory Contract by Giga Plex, LLC and MLDC1, LLC
17 inasmuch as it will unduly prejudice the interests of ECO Diversified the tenant
18 in possession of the Property.

GigaWatt shall have no liability relating to condition of the Units as delivered by Manufacturer, except with respect to the responsibility to inspect such Units upon receipt (as set forth in Section 2.2). Notwithstanding the foregoing

BP

limitations and exceptions, the liability of GigaWatt to Customer shall be limited to direct, objectively measurable damages, and will not exceed (a) for incidences not involving willful misconduct and fraud, the lesser of \$1,000,000 and the total revenue share earned by GigaWatt during the term of the Agreement or (b) for incidences involving willful misconduct and fraud, \$1,000,000. The parties acknowledge that these limitations on potential liabilities were an essential element in setting consideration under this Agreement.

6.4 Liability of Customer. Customer shall have no responsibility whatsoever for mistakes, errors, bugs, defects or any acts of omission relating to the provision of the Units under this agreement; provided, however, that negligence, willful misconduct and fraud are not subject to this limitation of liability. Customer shall have no liability relating to the condition of the Units as delivered by Manufacturer. Notwithstanding the foregoing limitations and exceptions, the liability of Customer to GigaWatt shall be limited to direct, objectively measurable damages, and will not exceed (a) for incidences not involving willful misconduct and fraud, the lesser of \$1,000,000 and the total revenue share earned by Customer during the term of the Agreement or (b) for incidences involving willful misconduct and fraud, \$1,000,000. The parties acknowledge that these limitations on potential liabilities were an essential element in setting consideration under this Agreement.

6.5 Force Majeure. Neither Party shall be liable for any loss or damage whatsoever caused by malfunction of equipment (absent a failure of the standard of care set forth in Section 5.2, negligence, willful misconduct or fraud), or any loss or damage occasioned by the elements (absent a failure of the standard of care set forth in Section 5.2, negligence, willful misconduct or fraud), labor disputes, shortages, utility curtailments, acts of God, government requisition, changes in government regulation, acts or omissions of third parties or any other cause beyond such Party's reasonable control.

6.6 Exchange of Information. Each Party shall mark as confidential all information provided by each Party to the other that is considered by the disclosing Party to be confidential information. The Party receiving such confidential information shall not use or disclose such confidential information to any third party, except to the extent required by the law, to a government agency or department or to enforce its rights or carry out its duties under this Agreement.

6.7 Indemnification. Each party shall indemnify and hold harmless the other party and its directors, officers, employees, agents, stockholders, affiliates, subcontractors and customers from and against all allegations, claims, actions, suits, demands, damages, liabilities, obligations, losses, settlements, judgments, costs and expenses (including without limitation attorneys' fees and costs) which arise out of, relate to or result from any act or omission of the indemnifying party.

7. Remedies.

7.1 Arbitration of Disputes. The parties agree to attempt to resolve any disputes relating to this Agreement by negotiation and/or with a mutually agreed-upon mediator. However, if these attempts are unsuccessful, upon demand by either party, all claims between the parties shall be referred for binding arbitration in accordance with the Washington Uniform Arbitration Act (RCW 7.04A et seq.). There shall be one arbitrator, whose decision shall be final, and binding, and judgment may be entered

thereon. If the parties cannot agree on the arbitrator, the arbitrator shall be appointed by the presiding judge of the Douglas County Superior Court. The arbitrator is authorized to restrict and/or limit discovery in the arbitrator's discretion, to that discovery reasonable under the circumstances considering the complexity of the matter and the amount in controversy. The substantially prevailing party, in any arbitration or other action, shall be entitled to collect all fees and costs incurred in connection with such action, including attorneys' fees, which amount shall be included in any award given.

7.3 Notices. Any notices or demands under this Agreement shall be in writing and shall be sent to the addresses listed on the signature page.

8. Miscellaneous.

8.1 Assignment. None of the Parties may assign its rights under this Agreement to the third parties.

8.2 Waiver. The waiver by a Party of any breach of any term, covenant or condition herein contained shall not be deemed to be a waiver of such terms, covenant, or condition for any subsequent breach of the same or any other term, covenant or condition herein contained.

8.3 Governing Law; Venue. Any claims arising under or relating to this Agreement shall be governed by the internal substantive laws of United States and Washington State, without regard to principles of conflict of laws. Each Party agrees to the exclusive jurisdiction of United States.

8.4 Severability. If any part or parts of this Agreement shall be held unenforceable for any reason, the remainder of this Agreement shall continue in full force and effect. If any provision of this Agreement is deemed invalid or unenforceable by any court of competent jurisdiction, and if limited such provision would make the provision valid, then such provision shall be deemed to be construed as so limited.

8.5 Confidentiality. Each Party agrees to keep confidential the financial terms of this Agreement.

8.6 Entire Agreement. The terms and conditions contained herein supersede all prior oral or written understandings between the Parties and constitute the entire agreement between them concerning the subject matter of this Agreement.

8.7 Modification. This Agreement shall not be modified or amended except in writing signed by authorized representatives of the Parties.

8.8 Counterparts. This Agreement may be executed in any number of counterparts (including facsimile copies), and it will become an enforceable agreement once both parties have delivered a signed counterpart to the other.
